It can be told that a developer is a person. StarWars Battlefront 2 Details Released, Trailers Posted GamePlayFree.com has revealed new details on Star Wars Battlefront 2, including that it is on track for an early 2017 release date. First and foremost, the game will be coming to PS4, Xbox One, and PC. In addition to this the trailer reveals that Star Wars: A New Hope will be the game's first expansion. The trailer shows new troops, new maps, new weapons, and new planets. There will also be an all-new story arc as well as gameplay tweaks for existing heroes.Who governs us? Who now? Chris Hedges, Colum Selleck and Elaine Collins in "Who Governs Us?" The Obama administration has legitimized the ruling oligarchs: What we have learned today is that a democratically elected president of the United States submits to the dictates of a clandestine "military-industrial-intelligence-surveillance-security complex." In essence, it has been established that we no longer have a democracy but a command economy. To attend this gathering of the corporate chieftains, one need only turn on the TV. Many of the issues at the meeting are more important than most realize. For example, George W. Bush administration official and executive partner to the Carlyle Group, David Rubenstein, chaired the Council on Foreign Relations gathering, one of the main coordinating forums for the empire.
