trying to get Apache Mod\_Rewrite to work. I want to rewrite the following url: to: I found this link: that should help. Here's my.htaccess file  
(with a simple. in the cgi-bin folder instead of a /): RewriteEngine on RewriteBase / RewriteCond %{REQUEST\_FILENAME}!-f  
RewriteCond %{REQUEST\_FILENAME}!-d RewriteCond %{REQUEST\_URI}!\.php RewriteCond %{REQUEST\_URI}!^/myfolder/  
RewriteRule ^(.+)\$ /myfolder/index.php?id=\$1 [L] This is the error I'm getting: HTTP Status 404 - /cgi-bin/script.cgi?param1=value1 I've  
tried to do a. and I've tried to remove the RewriteBase. I've also tried to remove the condition (at the end) to change the RewriteRule to be  
like this: RewriteRule ^(.+)\$ /myfolder/index.php?id=\$1 [L] I'm a bit out of ideas. Please help, and thanks for your time. A: The example  
you cite doesn't look like it is dealing with a virtual host setup. It is also quite a few years old. It sounds like you want to use a ProxyPass, for  
example: ServerName example.com ServerAlias www

They are best known for their "Say Your Own" series of videos created with student footage that shows the unique individual stories of college students around the country. Their "S.Y.O." series focuses on the stories of various student-filmmakers in the US. "S.Y.O." is a collaboration of various student-filmmakers from the United States, including Danielle Lemieux (from North Carolina State University), Kevin Pultz (from Ohio State University), Ben Moore (from Florida State University) and several others. The cast and crew of the video included a wide array of talented individuals from the US college community: Megan Sorensen, who acted as executive producer and editor, Bobby Portis as director, Garen Alling as cinematographer, Ben Moore as producer, and Scott Rowley as production manager. "S.Y.O." is a video version of a live performance series by the same name in which artists perform songs from their own personal experiences. The concept of the performance is to show a glimpse into the everyday lives of college students. It is designed to be a reflection of the wide variety of college student experiences, from the nightlife to the classroom. "S.Y.O." debuted on the TIRRC's official YouTube channel in March 2012. "S.Y.O." premiered on the TIRRC's official website on April 10, 2012. "S. 2d92ce491b
